Sign up today!

1 Sign up online

Visit ucsfhealth.org/mychart and click "sign up without an activation code"

Download the MyChart app

2 Answer identity verification questions

3 Request proxy access

Request access to your child's account under
Profile > Account Settings > MyChart Proxy Center

*Proxy access provides limited access for parents of teenagers (children ages 12-17). Teens may request their own MyChart access for full access to their account. Learn more about proxy access in the FAQ section on the MyChart web page.
